

For Sale—Miscellaneous

FOR SALE—1 will sell at a bargain as to price and on liberal terms as to payment, a "Flanders 20" automobile, three months old, that has one of the best engines ever turned out by the Studebaker factory. This statement can be proven by abundant local evidence. The only reason I would part with this car which I regard as a marvel in mechanical construction is that I am compelled to purchase a larger car to demonstrate an accessory which this car is too small to test under conditions required. ORDINANCE NO. 518

AN ORDINANCE to regulate the keeping and storage of Calcium Carbide.

The Common Council of Phoenix, do Ordain as follows:

Section 1. That it shall be unlawful for any person firm or corporation to keep or store Calcium Carbide within the City of Phoenix, unless the following conditions are complied with: Calcium Carbide shall be confined in a can or drum of metal, the seams of which must be lock-jointed, air and water tight, without the use of solder. Such container must be provided with a screw top or its equivalent, made of sufficient strength to insure handling without rupture, to be kept free from moisture and conspicuously marked: "Calcium Carbide—Keep Dry."

Sec. 2. (A) All such packages of Calcium Carbide of whatever capacity, when stored in quantities of not to exceed six hundred (600) pounds, shall be supported upon blocks or legs or placed or piled upon a rack or racks of sufficient strength to support the same and so constructed and placed as to elevate and sustain said packages at least six (6 in.) inches above the floor.

(B) When Calcium Carbide is kept or stored in quantities exceeding six hundred (600 lbs.) pounds, it must be in a building used exclusively for such purpose, and the floor of said building upon which the Calcium Carbide rests shall be at least six inches (6 in.) above the actual existing level of the street, alley or way upon which such building is located.

Sec. 3. (A) Frame buildings used for the storage of Calcium Carbide in quantities exceeding six hundred pounds (600 lbs.) shall be water-proof, well ventilated, without artificial light or heat, kept thoroughly dry and detached from any other buildings.

(B) Fireproof buildings used for the storage of Calcium Carbide in quantities exceeding six hundred pounds (600 lbs.) shall be well ventilated, without artificial light or heat, kept thoroughly dry and detached from any other building.

(C) Any building used for the storage of Calcium Carbide pursuant to the provisions of this section shall be conspicuously marked "Calcium Carbide."

Sec. 4. Any person, firm or corporation keeping or storing Calcium Carbide in any quantity exceeding six hundred (600 lbs.) pounds in weight, shall, immediately upon receiving the same, notify in writing the Chief of the Fire Department of the City of Phoenix of the exact location of such place of storage, and the same shall, at all times subject to his inspection, and upon compliance with the provisions of this ordinance he shall approve the same.

Sec. 5. Whoever violates any of the provisions of this ordinance shall be guilty of a misdemeanor and, on conviction thereof, shall be fined in any sum not less than ten dollars (\$10.00) nor more than one hundred dollars (\$100.00).

Sec. 6. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

Sec. 7. This ordinance shall take effect and be in force from and after its passage and publication according to law.

Passed by the Common Council of Phoenix this 20th day of August, A. D. 1912.
